Friends of Plas Dol y Moch

What is Friends of Plas Dol Y Moch?

A group of about 20 enthusiastic supporters of Coventry's Outdoor Education Centre are in the process of setting up "The friends of Plas Dol-y-Moch".

The aim is to set up a group for anyone who wants to support The Centre to be able to join and achieve the following:

- Support the centre in providing high quality outdoor education opportunities for Coventry's young people.
- Raise funds for the centre to develop new activities, resources and facilities.
- Promote the centre and its aims.

We hope to become a registered charity, develop a website and social links for the "Friends", provide benefits of membership (e.g. shopping discounts, regular prize draws etc), develop social and fund raising events, and provide opportunities to do voluntary work at the centre as well as having activity holidays there too.

Design a Logo Challenge

As schools are the most important part about Plas Dol y Moch, we decided that you should have a say in how the Friends of Plas Dol y Moch logo is designed.

We are holding a competition for pupils to enter their design ideas to help us create our logo.

All pupils in school can enter the competition, designs will be judged by the Friends committee and ideas taken from the chosen selection will form the basis for our final logo.

Designs must be completed and returned by **20th April 2011**. Please email us to arrange for someone from the Friends team to collect designs from you school, or you can email them to us.

There will be a prize for the winning designs!!

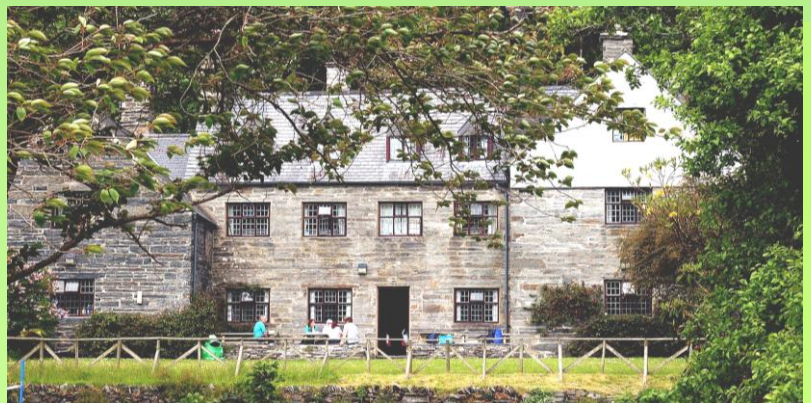

Remember... logos must be simple, eye catching and convey the message of the Friends group.
(Designs do not have to have the group name on.)

When can I join? - We need to get certain structures in place and then we hope to launch the group and be ready for members to join at the end of the summer. We will keep people informed of our progress in the next few months.

Want to help with setting up the Friends group?

We would still like to hear from people who may be able to help in setting up the Friends group.
