What was the book about?

It was about football. There is a chubby boy at the start and he ends up playing football. He wanted to get fit so he joins the team. He starts to practise football on his own and at the end he wins the cup with the team.

Was the book interesting?

Yes, because it's about football and I like football.

Who was your favourite character?

Herbie, because when he starts to play football he gets really good.

Would you recommend this book to somebody else?

It was alright but I would like coloured pictures. All of the pictures are black and white.
