What was the book about?

This book is all about a girl named Finch Penny who is writing a diary (the third book in the series) about her life and the changes inside it. Finch is finding everything a bit hard to cope with, what with her mum getting married to her boyfriend, Ian and her secret quest to find her long lost Dad!

Was the book interesting?

Yes, the cover and basic outline really grabbed my attention and the writer really makes you want to read on.

Who was your favourite character?

I think Buster the dog was my favourite character-always doing things wrong!

Would you recommend this book to somebody else?

Absolutely, it's brilliant for older readers.
