Class reorganisation – Reception, Year 2, Year 3 and Year 4 Reorganisation

There will be a reorganisation when children transfer into Year 1, Year 3, Year 3/4 class and Year 5 in order to create new classes.

Staff will use their professional judgement to create these groupings and the criteria they will employ are:

1. A balance of gender
2. A mix of different ages (age groups in the Year 3/4 class)
3. A balance of personality and sociability
4. The retention of positive friendship groupings
5. Parental considerations

Item 5 is an opportunity for parents to let me know in writing of any issues which staff should consider before creating the new classes. While I cannot guarantee that all parental views will be acted upon, staff will at least be able to bear them in mind.

Will parents please therefore write to me with any considerations they wish to raise by Friday 20th June.

Year 5 Sex Education Week

Please note that this will now take place week commencing Monday 16th June due to staffing issues.
