

22<sup>nd</sup> October 2008

Dear Parents

Don't forget that today is the last day for children in the old school. All bags, coats and other personal items must be taken home. Lost property will be on display in the infant foyer and the junior hall at the end of school today. Any items not claimed will be disposed of.

On Thursday 6<sup>th</sup> November children should arrive at the normal time and wait in the following areas:

- Reception           New Reception playground which can be found to the left of the bottom of the Green Lane drive or by following the new path from the Coat of Arms Bridge Road gate.
- Years 1 to 6        The tarmac area outside their classrooms which runs from the Dell to the Green Lane drive.
- Fun Club children    The new entrance is the door with a canopy which is opposite the caretaker's house.

New Class Names

In the new school we are taking the opportunity to alter the way in which we name our classes. In future years these class names will always remain the same, even if the teachers change. The list below shows the new class names next to the teachers' names, but please be assured that the only alteration is in the name of the class – your child will still have the same teacher.
