

8th May 2009

Dear Parents

The week commencing Monday 18th May is Walk to School Week. The aim of the campaign is to encourage as many people as possible to leave their cars at home and benefit from healthier and safer school journeys. Even those that live too far away to join in can park further away from the school and walk the remainder of the journey.

Children will be receiving an activity book and a different sticker for each day they walk to school.

Please try to join in, make use of our Walking Bus or use the Park and Ride car park in the Memorial Park. Then, if your journey goes well perhaps walking to school will become a habit and you will not run the risk of the police issuing you with a parking ticket as they have promised to do on a regular basis in the future.

Evening of Music

Please note a change of date for this event in order to avoid a clash with the Finham Park new parents' evening. The new date is **Tuesday 30th June at 7.00 pm**. There will be performances from instrumentalists, the choir, orchestra and boys' singing group. Further details and ticket request forms will follow nearer the time.

Fun Club AGM

You are invited to attend the AGM which will take place on Tuesday 9th June at 6.30 pm in the staff room.

The agenda will include reports on the Fun Club's activities, staffing and finances. There will also be an opportunity for parents to join the organising committee if they wish and the meeting will close with any questions from those in attendance.

School News

- Mrs Robinson would like to thank the PTA on behalf of the whole school for agreeing to fund the new playground benches and bins, which the School Council helped to choose. A big thank you also to the PTA from Miss Hibbert for buying 30 new digital cameras for the school. They will be used in lots of different ways by the children to record events and achievements.
- Congratulations to the Girls' Football Team who are the City 7-a-side Champions following their success in the final yesterday.

Ciggy's Story

Year 6 will be receiving a booklet from NHS Coventry today. The intention is for Year 6 children to become more informed about the dangers of smoking and hopefully make the choice not to smoke as they grow older.
