

15<sup>th</sup> January 2010

Dear Parents

You may have noticed that work has commenced on the new school car park. Staff will be unable to use it until after January 25<sup>th</sup>. This, of course, puts additional pressure on the parking available around the school. Please bear this in mind when you are driving near the school.

We have also lost our disabled parking bay for the moment so please do not park on the Coat of Arms Bridge road drive as this is where our wheelchair user parent needs to wait before and after school.

#### Playground Injuries

There have been a couple of recent occasions when children have accidentally scratched each other while playing. This has been due to long finger nails, so can I ask you to check that this is not a problem for your child.

#### School Cross-Country Squad

The boys and girls in the squad were delighted to receive a new set of running tops courtesy of "The Coventry Runner" store. The Coventry Runner is a specialist running shop which can be found at 223, Burnaby Road, Radford. Tel: 024 7666 8498. One of our parents is involved with the shop and Stivichall school customers can obtain a 10% discount on all purchases.

#### Dinner Lady Vacancies

We are looking for supervisory assistants to join our lunchtime team. Duties include supervising children in the dining room and on the playground.

Hours of work are 11.50 am to 1.20 pm Monday to Friday, term time only. However, if you are only able to commit to two or three days per week we would also like to hear from you.

The rate of pay is currently £6.30 per hour

Please call into the school office or ring 7641 9555 to arrange an informal meeting.

#### Years 1 and 2 Dressing Up Clothes

If you have any dressing up clothes that you no longer require and would be willing to donate them to years 1 and 2 to support their topic on "fairytales" then please see the class teachers.
