Dear Parents

As promised these are the details of the Aquabox Appeal.

We are hoping to fill a plastic container with items of clothing and equipment which can be airlifted to countries which have suffered a natural disaster. The contents of these boxes can be found online at www.aquabox.org/filling and we would like to invite you to donate an item.

Please complete and return the attached reply slip to let us know which item you can provide (please list up to three). We will then reply to you indicating which one to send into school. This will, hopefully, prevent too much duplication.
