

## Mathematics

Number and place value – number lines, negative numbers, greater than and less than, ordering numbers and rounding.

Addition and Subtraction – with four digit numbers, money, estimation, know addition and subtraction facts to 100

We will continue to practise times tables up to 12x12.

## PSHE/SMSC

Dreams and Goals – broken dreams, creating dreams, overcoming disappointment and achieving goals.

## Science

These are some of the key questions we will answer this term:

- How can we make sounds louder and quieter?
- How do sounds change as we move away from a source?
- How can we use air to make music?
- What is an echo?

## English

Our first text is *Varjak Paw* by A.F. Said. This book will inspire our own dilemma stories. We will focus on devices used to create suspense and tension.

We will be writing a newspaper report later in the term.

In Guided Reading, we will first practise reading skills using *Varjak Paw* before moving onto the text, *King and King*. We will also read *How To Train Your Dragon*. Skills practised will include summarising, production, inference and retrieval amongst others.

## Theme

Playlist-Production is our theme. We will cover:

- History of music
- Different instruments
- Famous composers

We will learn about the deaf percussionist, Evelyn Glennie and how she uses vibration to hear music.

## Art

Our focus will be Friedensreich Hundertwasser painting and collage.

# Playlist

## 4S & 4P

### Spring Term 1

## RE

Why is Jesus inspiring to Christians?  
Jesus' life story and his teachings

## Music

Glockenspiels  
Charanga – Stop – a song/rap about bullying

## PE/games

Real PE

Dance

Year 4 teachers are also working with the Royal Ballet and so we'll be incorporating dance and movement in various lessons.
