

P.E.

Outdoor Athletics- developing running, jumping and throwing techniques. Invasion games such as tag rugby and Real PE.

R.E.

What is a special place? Identifying places of worship, looking for similarities and differences.

Music

Studying Reflect, Rewind and Replay on Charanga.

Computing

Using Purple Mash to follow and create simple instructions (algorithms).

Using Beebots to begin to understand coding and the use of precise instructions.

Mathematics

Place value - Count forwards and backwards within 100 and understanding the value of a digit

Fractions - Finding a quarter

Measures - Investigating capacity and time

Geometry - Position and direction

Art

This term, our focus will be The Take One Picture Project. Watch this space as more information will be shared later in the term.

Design Technology

How can we make a vehicle move?

In DT children will be investigating, designing, making and evaluating a moving vehicle.

English

This term the children are looking at friendship stories and focusing on sentence structure.

Our power of reading book this half term is 'The Dark'.

Our talk for writing text is 'Sh! I Have a Plan!' and 'Kassim and the Dragon'.

We will focus on handwriting using whooshes and flicks.

Summer 2 - 1S & 1P

Bright Lights, Big City

Part 2

PSHE

In Jigsaw our new topic is Changing Me. Children will be learning about how we learn and grow.

We will also be completing our unit, RSE. More information will follow, but please speak to the class teacher if you have any questions.

Geography

Investigating The Great Fire of London.

To understand how the fire started and spread.

Science

We will be investigating and naming body parts.

Each week, we are looking at a different sense and how this helps us to understand the world around us.
