

P.E.

Cricket
Real PE - sending and receiving a ball and counter balances

R.E.

Why is Jesus inspiring ? Easter

Music

Charanga - Stop

Cornet lessons (Year 3 only)

Computing

Purple Mash - Writing for different audiences

Science

We will continue or work on Sound. Investigating how we can muffle sound and finding out what an echo is.

The Water Cycle - evaporation and condensation

French

Face and body parts

Geography

We will practise our map reading skills to locate mountains and rivers. We will learn about the different types of mountains and how each is formed. We will also learn about the journey of a river and its physical features.

PSHE

Make a Difference Social Action Project based on recycling and litter.

Art

Hundertwasser - Drawing using continuous lines and composition

English

We will be reading and writing our own narrative poems based on the book Moon Man. We will focus on rhyme, descriptive language and repetition.

We will also research and write our own information texts on rivers.

Texts we are reading:

The Boy at the Back of the Class

The Way Back Home

Wonder

Mathematics

Area and length

Fractions and decimals

Times Tables

Time

2D shape including symmetry

Spring - 4S, 4P and 34M

Misty Mountains, Winding Rivers
