

### P.E.

Swimming  
Real PE - reaction and response catching a ball

### R.E.

Why do some people think that life is a journey?

### Music

Cultural Cantata (Year 4 only)  
Cornet lessons and Morning of Music (Year 3 only)

### Computing

Purple Mash - Logo

### Mathematics

Symmetry- identifying lines of symmetry and complete symmetric patterns.  
Coordinates- to read and plot coordinates, describe translations.  
Fractions and decimals (Year 4)- position on a number line, equivalence, solve problems  
Formal calculations- multiplication and division (Bus Stop method Year 4)  
Measure- convert units of measure, read scales, capacity.

### Geography

We will practise our map reading skills to locate rainforests around the world. We will learn about the climate, layers of the rainforest and what life is like in the Amazon rainforest. We will also learn about deforestation and take part in an exciting Rainforest Roadshow.

### PSHE

Finish our Make a Difference Social Action Project based on recycling and litter.  
Jigsaw-Healthy Me

### Art

Take One Picture project based on the painting **Surprised!** By Henry Rousseau 1891

### English

In our Guided Reading lessons, we will be reading:  
-Information texts about our inspirational figure Jane Goodall and rainforest texts

-The Great Kapok Tree

-Dogs don't do ballet

In our English lessons, we will be reading The Lost Happy Endings and writing our own losing tale where we will focus on openings and endings.

We will also be writing our own discussion texts about deforestation.

### French

Feeling unwell and jungle animals

### Science

Electricity- we will group and classify power sources, we will make circuits and understand how circuits work. We will explore what type of materials conduct electricity.

## Summer 1 - 4S, 4P and 34M

### Rainforests
