

**Stivichall Fun Club**  
**Coronavirus / Covid-19 Agreement**

I acknowledge the contagious nature of Coronavirus and that the latest government guidance recommends practising social distancing and a range of other protective measures.

I recognise that Stivichall Fun Club has put in place a series of protective measures to reduce the risk of Coronavirus transmission within the setting but I accept that Stivichall Fun Club cannot guarantee that my child will not be exposed to Coronavirus whilst attending the club. For details please see Stivichall Fun Club Covid 19 Policy via the school website.

**Arrival and departure Arrangements**

I understand that I must follow the procedures set out by Stivichall Fun Club when dropping off and collecting my child from the setting. All parents/carers will be required to drop off and pick up from the Green Lane gate, only one parent/carer will be allowed per family for drop off and pick up and we ask that wherever possible, this is the same person every day.

**Dropping off**

You will be asked to queue on markers behind the railings, a member of staff will instruct you when to send your child down to the entrance door, and the staff member will sign your child into Fun Club.

**Picking up**

You will be asked to queue on markers behind the railings, a member of staff will ask you whom you are collecting, and they will sign your child out and send them to you. If your child is in the art room, you will be asked to go to the art room door and the member of staff will sign out your child and send them out to you. This will also be the case if your child is taking part in any outside activity. Your child will already have their belongings and the member of staff will sign them out and send them to you.

**Please note** When going to the art room or outside activity your child will be reminded to take their belongings, however if items are forgotten, we cannot allow entry back into Fun Club or their class room. If your child is in the following morning, they will collect their belongings then. If not, the items will be taken to your child's classroom for the following morning.

*Please can we ask you in advance for your patience when dropping off and collecting, we can have up to one hundred children per session. It is imperative, we operate in line with government guidance and safeguarding practices.*

**I understand the importance of vigilance regarding Coronavirus symptoms as a keystone of preventing the transmission of the virus to other children, staff and parents, accordingly, I confirm that:**

- ☐ My child is not experiencing any Coronavirus symptoms such as cough, shortness of breath or difficulty breathing, fever, muscle pain, headache, sore throat, or new loss of taste or smell.
- ☐ My child has not tested positive for Coronavirus, or been advised by NHS Test & Trace to self-isolate.
- ☐ My child has not been in contact with anyone in our household who has Coronavirus symptoms, or who has been advised by NHS Test & Trace to self-isolate.
- ☐ My child has not travelled abroad to any country other than those identified as 'safe' by the government within the last 14 days.
- ☐ My child is capable of following the club rules relating to protective measures, such as not mixing with children in other bubbles, washing their hands regularly, coughing and sneezing into a tissue and disposing of it safely, and not touching other children. I understand that if they are unwilling to follow the rules they may not be allowed to attend future sessions.

If any of the above circumstances change, I will not bring my child in to the club and will notify the club staff immediately.
