Hall

A photograph of a dining room. In the foreground, there are several long, light-colored tables with blue stools. To the left, there is a large rack of folding chairs with blue seats and metal frames. The room has a grey floor, white walls, and a drop ceiling with fluorescent lights. A string of colorful triangular bunting hangs from the ceiling. In the background, there is a whiteboard, a poster titled "FOOD SMART", a water cooler, and a door. The text "Dining room" is overlaid in the bottom left corner.
