They shared information with the children about how they can keep themselves safe from harm and get help if they have any worries. The school has chosen to support the valuable work of the NSPCC and we would really value your support and encouragement. Events will be organised through school for the children to participate in, should they wish, we would appreciate your support by completing and returning the sponsorship form and monies by **Friday 21st June**. Thank you.

Humanities Corner: Every week there will be a Humanities question for you to share and solve with your children. The answer to the question from the newsletter dated 17th May is given below. We hope you got it right!

What type of natural disaster can be described as a series of long, high sea waves caused by an earthquake? **Tsunami**

This week's question:

Which city is situated on two continents?

Unsafe and Antisocial Parking

We are pleased to let you know that Coventry City Council now has its own ANPR enforcement car to tackle unsafe and antisocial parking around schools, and improve road safety for the city's children. It has been operational from the beginning of this week.

The car enables the council to enforce the restrictions more efficiently than they can do on foot.

The car will be used to enforce the following restrictions where stopping is not permitted:

- Yellow zig-zag lines outside schools
- The red route
- Urban clearways
- Taxi ranks
- Loading / unloading areas

Penalty charge notices (PCNs) are not issued automatically - video footage will be captured by the car and reviewed by officers who will determine if an offence has been committed before issuing a PCN. A PCN incurs a fine of £70, reduced by 50% if paid in 14 days.

The ANPR vehicle is a distinct car that is clearly marked with Council livery and a camera on the rooftop, so any enforcement will not be hidden – but it will be a highly visible deterrent that will help to prevent dangerous and illegal parking around Coventry's schools.

The Big Lunch – Friday 21st June

All orders for the 'Big Lunch' must be received by **Monday 10th June** at the latest. No further orders can be processed after this date. As in previous years, may we remind you that this event is restricted to **one family member only** coming on to site to participate as unfortunately, due to the size of the event, numbers have to be limited. Anyone who has ordered two adult meals will receive a refund.

PTA NEWS

PTA NON-UNIFORM DAY - FRIDAY 14TH JUNE

All children will be invited to attend school in Non-Uniform in exchange for various donations (see above) towards the Summer Fayre.

This day is vital to the success of the Summer Fayre and raises a substantial amount to be spent on school projects.

Please donate generously if you can.

SUMMER FAYRE - SATURDAY 29TH JUNE, 11.30-2.30PM

Are there any business out there that would like to sponsor a stall? Could you buy the prosecco or maybe some samosas? Please let us know if you can help by messaging us on our Facebook page or emailing us at ptastivichall@gmail.com

Does anyone have a chocolate fountain machine they would like to donate or let us use for the fayre. Do you have one lurking in the back of a cupboard? We would be grateful of any donations as we think the children would love this addition to the fayre. If you could bring it to the collection table on the playground or drop it into the office then that would be great.

UNIFORM ORDERS - DEADLINE

If you wish to take advantage of our Uniform order service, please return your order form together with your payment to the school office - deadline date is **Monday 10th June**.

Delivery cannot be guaranteed for any orders received after this date.
