PE Leaders at Stivichall

We encourage all children to develop leadership skills within PE lessons, leading warm ups and demonstrations in every year group. When our children reach year 6, we like to offer the opportunity for them to become a PE leader for the whole school. This role is great for children who have an interest in developing leadership skills further within the subject of PE. The role was advertised within school last week, many thanks to the children who have put themselves forward. I am pleased to share that all children that applied were successful, well done. I will be in touch shortly to meet with you all and get started.
